We are writing to you on behalf of the award winning Valencia High School Tiger Regiment that includes the Valencia High School Band and Color Guard located in Placentia, California. Our group proudly competed in parades such as the Placentia Heritage Parade and Chino Band Review as well as competitions at Trabuco Hills Field Show, Chino Field Show and WBA Championship Finals last year. Our Colorguard travels to Dayton, Ohio to compete nationally each spring. We welcome you to visit our website at www.tigerregiment.org to learn more about us and our many accomplishments.

As great as these accomplishments have been, state budget cuts have resulted in less and less support from the school district. We, the program booster organization, Valencia Instrumental Parents (VIP), help raise funds to pay for the ever increasing budget required to provide instruments, instrument repairs, travel costs, transportation, costumes, instructors' salaries and much more needed to run a successful program.

Our mission as the VIP booster group is to keep our programs affordable so all students are able to participate regardless of income. To meet this goal, we are asking the support of businesses interested in promoting the value and impact this program has on both individual students and the community. It provides:

- A place to belong, thereby building an affinity to the school, and enhancing student interest in higher learning and greater achievement.
- Opportunity to learn discipline and understand the true meaning of teamwork.
- Contributions to school and community pride promoting positive representation for the local area.

We are hoping you will want to join our extended team and contribute to the success of this program. Any contribution you can make to us at the address below is greatly appreciated.
